

Fall Wonder

2025 Block of the Month

The 2025 Block of the Month (BOM) is a fun fall quilt. You will be making blocks that include stars and shapes, an owl, a playful hedgehog, and a few surprises. You will be making a variety of sizes of block(s) each month that will fit together for this quilt. Although, we are starting with a pattern book, there will be several changes from the original pattern to make it our own over the 12 months. You will use traditional piecing techniques to complete the blocks.

There is a \$30 (plus tax) registration fee to join the 2025 BOM which includes the pattern book which you will receive in January to complete the first block(s). If you already have the book then registration fee is \$20.

Everyone will be charged \$5 plus tax for their January Block at the January BOM.

After that if you come to The Quilting Squares on the first Saturday of each month between 9:30 & 1:30 with your completed block then you will receive the next month's fabrics for FREE! If you do not come on the first Saturday or have not completed your block, then you must pay \$5.00 for the next set of fabrics - No Exceptions. No one else can pick up your fabrics for you even on the first Saturday for free.

Rules:

- You may not pick up your blocks prior to the scheduled date.
- Times and dates are subject to change.
- One free block per customer. Additional blocks may be purchased for \$5 each.
- Sales tax will be charged on purchased blocks.
- If you make a mistake you will be charged for replacement fabric if it's still available.
- No refunds once you've paid the sign up fee.
- You may or may not receive a reminder.
- We will offer an optional finishing kit in December at an additional cost.

The store will open at 9:30 on Block of the Month Saturday.

We are looking forward to another great year of quilting!
